" I attended the workshop to learn how to train others in EQ. I not only learned how to effectively use the materials, but also I learned a great deal about myself – which I'm now applying."

Tripat Mehrotra, Regional Employee
Development Director, Rotana

This program provides practical and effective tools for measuring and developing emotional intelligence - a turnkey solution with substance and depth.

This unique training event is designed for professionals who are charged with developing leadership in their organizations. Walk away ready to use the latest material in EQ leadership development.

Certification Includes

EQ Leadership for the People-Side

While most leaders are hired for their technical, business, and product knowledge, the core of leadership is engaging people. The 1-day EQ Leader Training focuses on the core competencies that allow leaders to understand and manage people - starting with themselves. It sets the context and builds a case for "EQ leadership," and then offers practical, applicable tools to help develop core competencies leaders will use to become more aware and effective.

The training module is interactive and engaging using exercises, video clips, and a proven learning design.

- Develop EQ to enhance the people-side of leadership and increase organizational effectiveness.
- Learn and prepare to deliver a highly-effective 1-day EQ Leadership program with practical tools, a strong research base, and an easy-to-apply model of EQ for leaders to become more insightful and effective.
- Take away the EQ Leader Facilitator Kit with powerpoint, videos, and resource cd (including sample proposal and additional resources) – AED2500 value – and license to purchase courseware for this outstanding program*

* The EQ Leader workbook is AED275 per participant, one workbook must be purchased for each participant; the program can be delivered in one day or spread over several.

Who should attend

Professionals charged with improving leadership – trainers, HR specialists, OD professionals, coaches, leaders.

New insights, skills, and practical tools improve leadership in your organization and enhance your own leadership.

"I have never attended a course where I left with so many high-quality resources. The value of this course, personally and professionally, is enormous." - Renae Rokikki, Training and Development Specialist, SUNY Upstate Medical Center

Benefits of This Program

The EQL program puts emotional intelligence into a practical context. Beginning with identifying key leadership goals, the course then offers numerous practical EQ tools that leaders will use and apply to reach their goals. The program equips managers to clarify that they are people leaders, and to build their insight and strength in this crucial domain.

The program can be delivered in a full day, or it's easily divided into multiple modules creating a flexible approach that will work in a wide range of organizations.

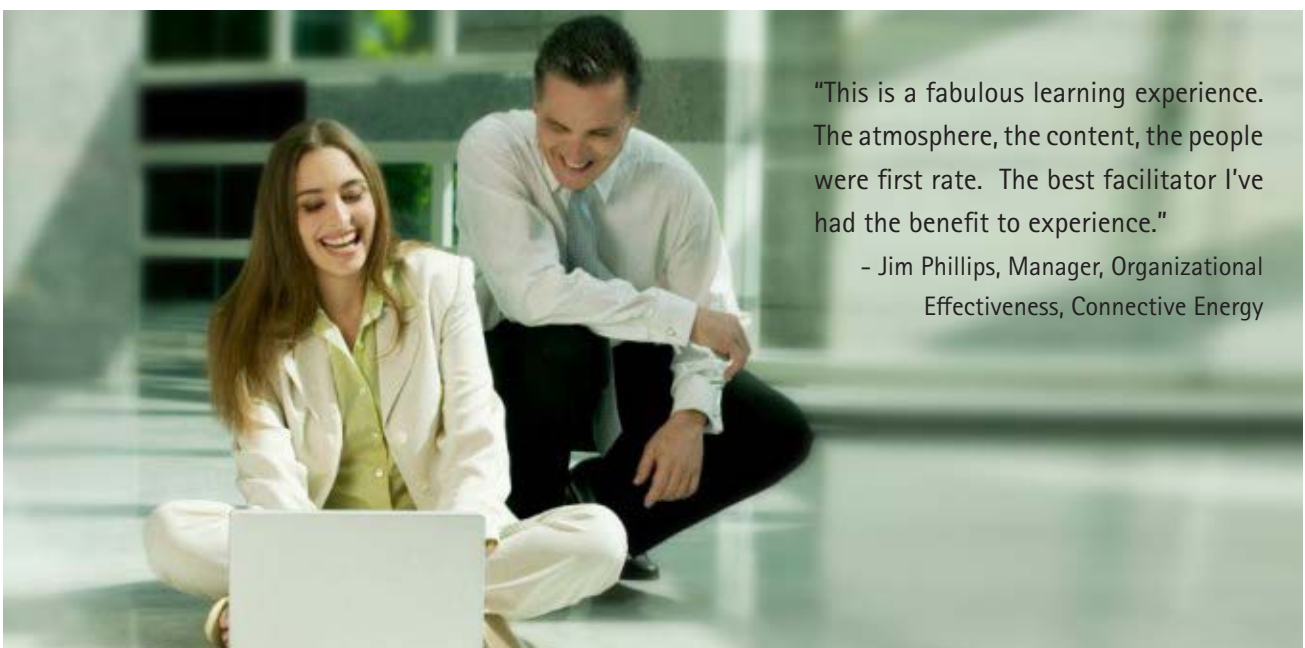

Using an advanced learning design, the program is hands-on and multi-sensory.

Participants will engage deeply, connecting with the material, their group, and themselves. The training day passes quickly and sets participants with the knowledge, attitude, and skills to excel on the people-side of leadership.

The EQ Leader program is also perfect to blend with the SEI Emotional Intelligence assessment for practitioners who are SEI Certified. The latest-generation emotional intelligence assessment, SEI focuses on developing and applying EQ to help people be more effective with people. Built by world-leading emotional intelligence educators, this tool is action-oriented, practical, and applicable. SEI users (including Daimler Benz, Microsoft, HSBC, Etihad, Schlumberger, TECOM, Welcare, and BMW) choose SEI because it helps people put EQ in action. SEI features include rigorous psychometrics, multiple languages, numerous reports, and an extensive library of development tools. See www.6seconds.org/sei for details.

"The course really helped me in understanding the characteristics of a successful leader."

Amna Mohammed,
Etihad Airways

"This is a fabulous learning experience. The atmosphere, the content, the people were first rate. The best facilitator I've had the benefit to experience."

- Jim Phillips, Manager, Organizational Effectiveness, Connective Energy
